WorkVibes Mobile App

Human Resources Attendance Management System User Guide

Designed to streamline your attendance management process, this guide will walk you through the essential features of the WorkVibes mobile app

- Effortless Tracking: Clock in and out and track your working hours.
- Leave Management: Submit leave requests with just a few taps.
- Real-Time Updates:Receive instant notifications.

@2026 Arcteon Digital

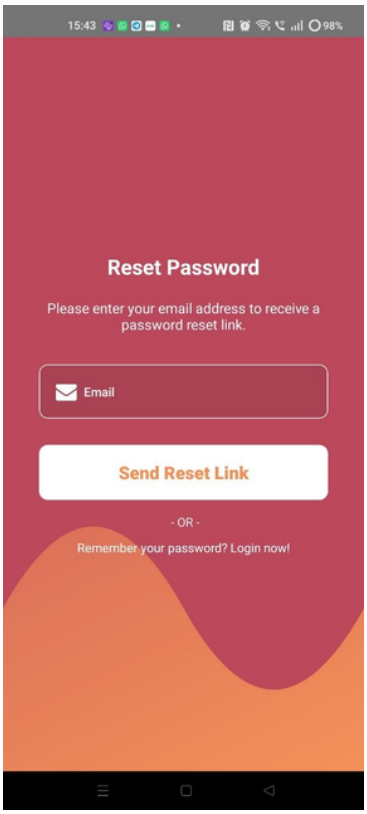

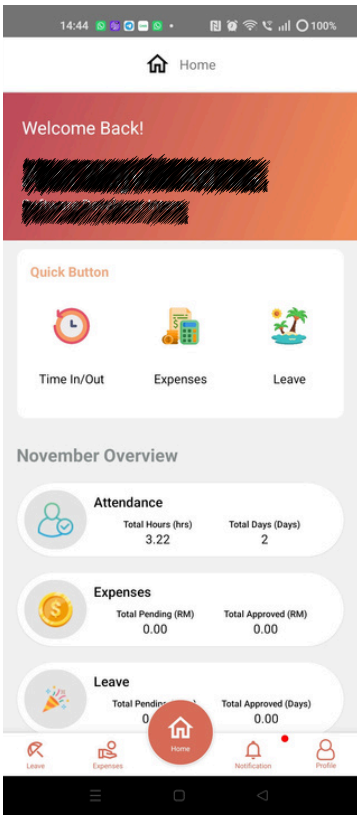

Part 1: Login Screen

1. **Open the App:** Launch the application on your phone.
2. **Enter Email:** Tap the first box labeled **"Email"** and type in your email address.
3. **Enter Password:** Tap the second box labeled **"Password"** and type in your password.
    a. (Optional) Tap the **Eye icon** on the right side of the password box if you want to see the characters you typed.
4. **Sign In:** Tap the big white **"Sign In"** button to enter the app.
5. **Change Language:** If needed, tap **English**, **Bahasa Melayu**, or **中文 (Chinese)** at the bottom of the screen to change the language.

Part 2: Reset Password Screen

1. **Tap "Forgot Password?":** On the main login screen, tap the text that says **"Forgot Password?"** just below the password box.
2. **Enter Email:** On the next screen, tap the **"Email"** box and type in the email address linked to your account.
3. **Send Link:** Tap the white **"Send Reset Link"** button.
4. **Check Your Email:** Go to your email inbox (on your phone or computer). Look for an email from the app and click the link inside it to create a new password.
5. **Return to Login:** Once you have set a new password, tap **"Login now!"** at the bottom of the screen to go back to the main page and sign in with your new password.

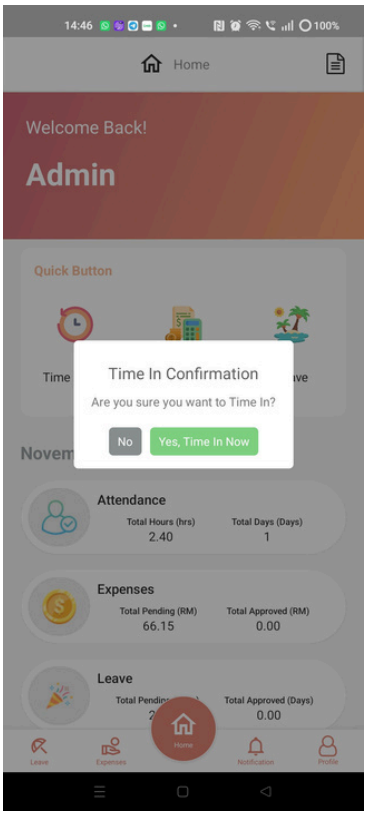

Part 3: Employee Dashboard

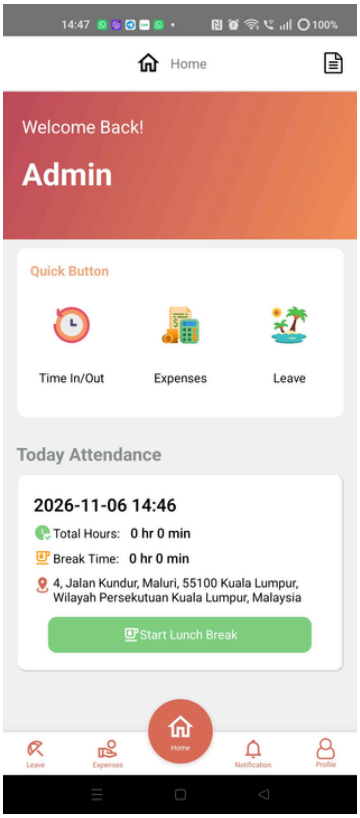

When you log in, you will see your personal dashboard.

1. **Profile:** Your name and job title are displayed at the top.
2. **Quick Buttons:** Use these shortcuts for common tasks:
   - **Time In/Out:** To log your work hours.
   - **Expenses:** To submit or view claims.
   - **Leave:** To apply for time off.
3. **Monthly Overview:** Scroll down to see a summary of your Attendance (total hours and days), Expenses (pending and approved amounts), and Leave for the current month.
4. **Bottom Menu:** Navigate the app using the icons at the very bottom (Leave, Expenses, Home, Notification, Profile).

Part 4: Time In Confirmation

1. **Tap the "Time In/Out"** quick button (the clock icon) on the home screen.
2. A **pop-up window** will appear asking: **"Are you sure you want to Time In?"**
3. Tap the green **"Yes, Time In Now"** button to confirm. (Tap "No" to cancel).

Part 5: Active Attendance (Home Screen)

After you have timed in, look at the "Today Attendance" card on your Home screen.

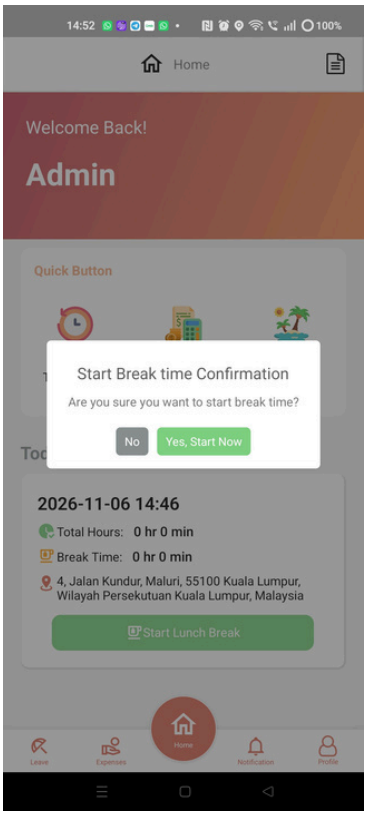

1. **Start Break:** Tap the green **"Start Lunch Break"** button.
2. **End Break:** When you return from lunch, go back to the Home screen. The button will change. Tap it again to end your break.

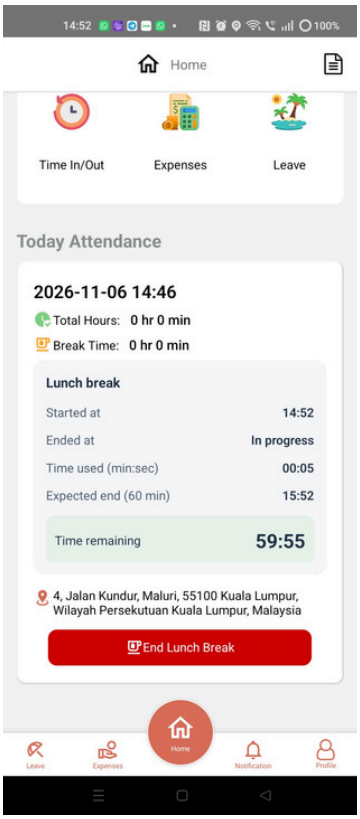

Note: The app will automatically calculate the exact time you spent on break.

Part 6: Break Time Confirmation

You will see this when you tap the **"Start Lunch Break"** quick button.

1. **Confirm**: A pop-up will appear asking, **"Are you sure you want to start break time?"**
2. **Proceed**: Tap the green **"Yes, Start Now"** button to clock out and end your shift for the day. (Tap "No" if you do not want to start break time yet).

Part 7: Active Lunch Break Screen

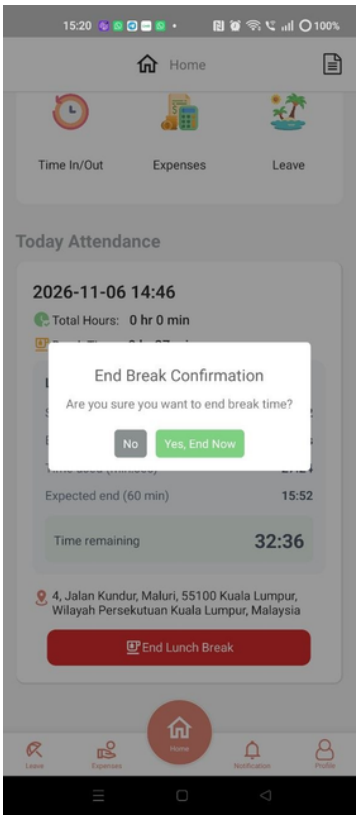

1. **Monitor Break Time:** Look at the "Today Attendance" card. It shows your break start time, current time used, expected end time (60 min), and a live countdown of your remaining time.
2. **End Break:** When you are ready to return to work, tap the red **"End Lunch Break"** button at the bottom of the card.

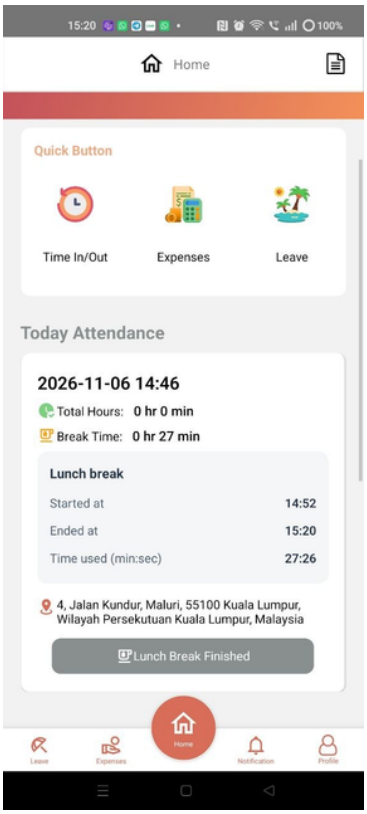

Part 8: End Break Confirmation

You will see this after tapping the red "End Lunch Break" button on the Home screen

1. **Confirm**: A pop-up will appear asking, **"Are you sure you want to end break time?"**
2. **Proceed**: Tap the green **"Yes, End Now"** button to stop the break timer and resume your work hours. (Tap "No" if you need more time).

Note: You can see the app tracks your expected break end time and counts down the remaining time.

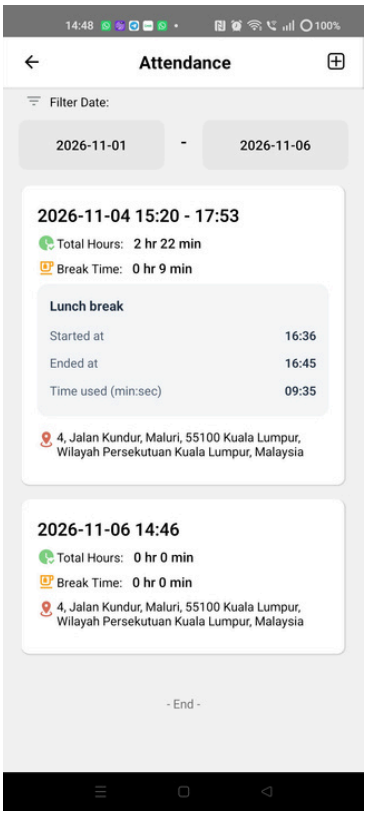

Part 9: Break Finished (Home Screen)

This is how your Home screen looks immediately after ending your break.

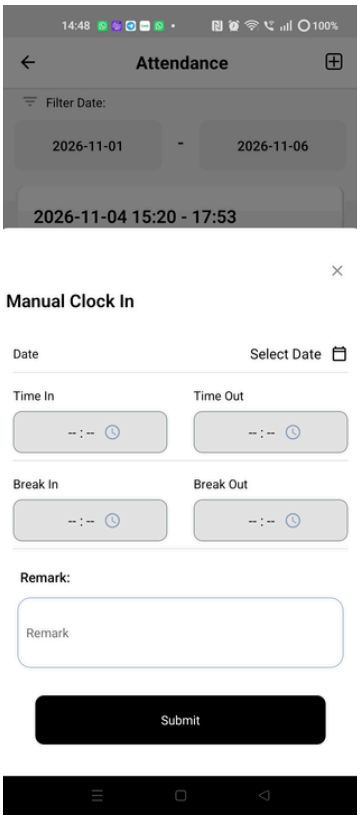

1. **Review Break Details:** Look at the "Today Attendance" card. Under the Lunch break section, you can now see exactly when you started, when you ended, and the total Time used.
2. **Check Total Break Time:** Notice the yellow **"Break Time"** line at the top of the card has updated to reflect the time you just took (e.g., 0 hr 27 min).
3. **Status:** The button at the bottom now reads **"Lunch Break Finished"** in grey, confirming you are back on the clock.

Part 10: Attendance History List

1. **Open Attendance:** Tap the document icon at the top right corner of the Home screen.
2. **Filter Your Dates:** At the top of the screen, you can change the **"Filter Date"** to look at specific days or weeks.
3. **Read Your Records:** Your daily logs will appear in a list. For each day, you can see:
   - **Date & Time:** When your shift started and ended.
   - **Total Hours:** Your total working time for the day.
   - **Break Time:** How long you were on break.
   - **Lunch Break Details:** A breakdown of exactly when you started your break, when you ended it, and the total time used.
   - **Location:** The address where you clocked in/out.

Quick Tip: The **"+" icon** in the top right corner is used to manually add an attendance record (usually only needed if you forgot to clock in or out.

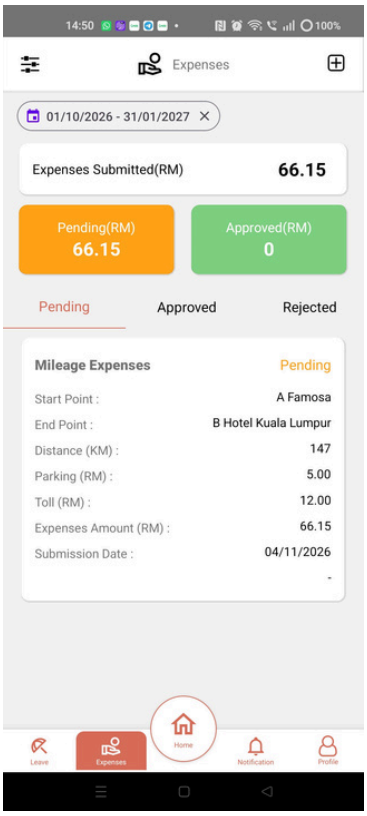

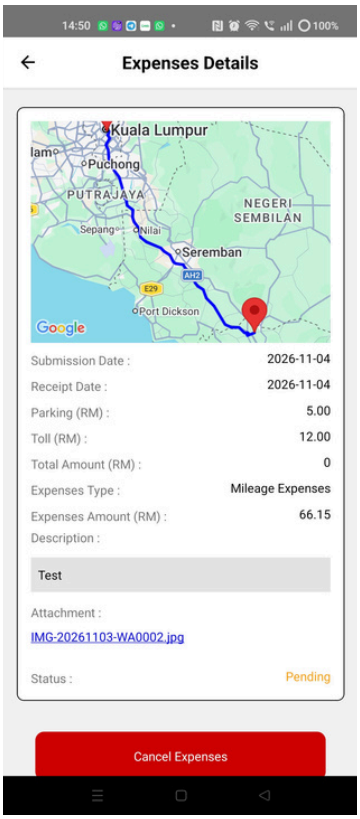

Part 11: Manual Clock In Form

1. **Add Attendance:** Tap the **"+" icon** at the top right corner.
2. **Select Date:** Tap the calendar icon to choose the date you missed.
3. **Enter Times:** Tap the clock icons to fill in your actual Time In, Time Out, Break In, and Break Out.
4. **Add Remark:** Type a short note in the **"Remark"** box explaining why you are entering it manually (e.g., "Forgot to clock in").
5. Tap **Submit**. A "Save Successful" message will pop up. Tap OK.

Part 12: Expenses Dashboard

1. **Overview:** This screen shows the total amount of money you have submitted, what is still Pending, and what has been Approved.
2. **Tabs:** Tap Pending, Approved, or Rejected to filter your expense list below.
3. **View Details:** Tap on any specific expense card (like the Mileage Expense shown) to see full details.

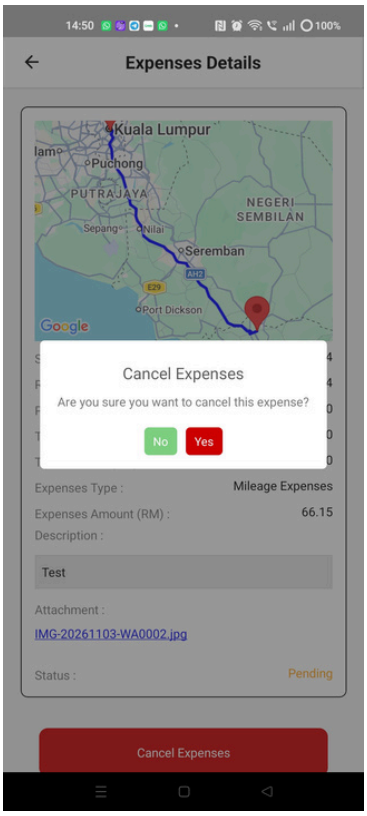

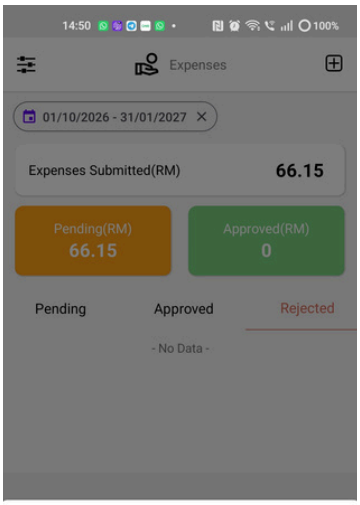

Part 13: Expense Details

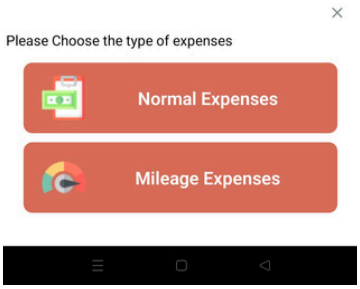

1. **Review:** Check the map (if applicable), dates, amounts, description, and the attached receipt image link.
2. **Cancel:** If you made a mistake on this **"Pending"** expense or you want to cancel the expenses, tap the red **"Cancel Expenses"** button at the bottom; add again.

Part 14: Cancel Expense Confirmation

1. **Confirm:** A pop-up will ask if you are sure you want to cancel.
2. **Proceed:** Tap the red **"Yes"** button to permanently cancel the expense claim. (Tap "No" to keep it).

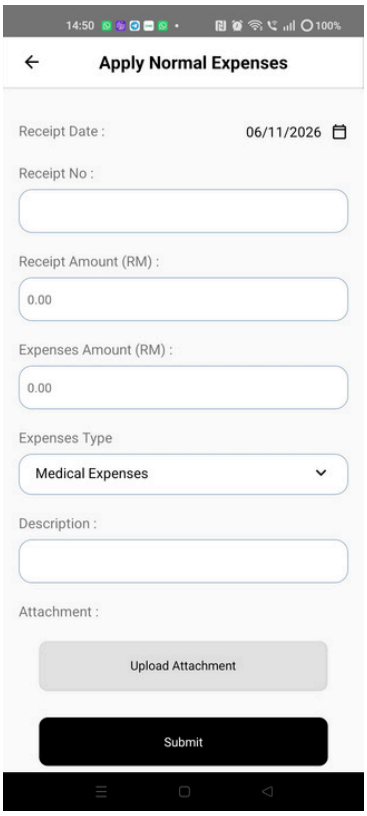

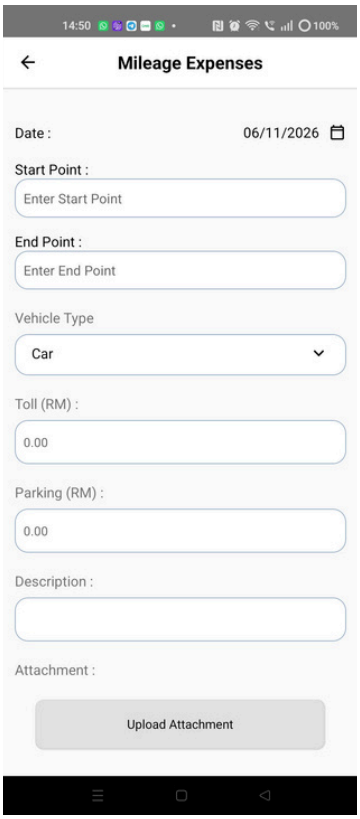

Part 15: Choose Expense Type

1. **Select:** After tapping the **"+"** icon on the Expenses screen, choose the type of claim you are making.
2. **Options:** Tap **Normal Expenses** (for receipts like medical, supplies) or **Mileage Expenses** (for driving claims).

Part 16: Apply Normal Expenses

1. **Fill Details:** Enter the Receipt Date, Receipt No, and Amounts.
2. **Type:** Use the drop-down menu to select the specific category (e.g., Medical Expenses).
3. **Describe:** Type what the expense was for in the Description box.
4. **Upload:** Tap Upload Attachment to take a photo or select an image of your receipt.
5. **Submit:** Tap the black Submit button at the bottom.

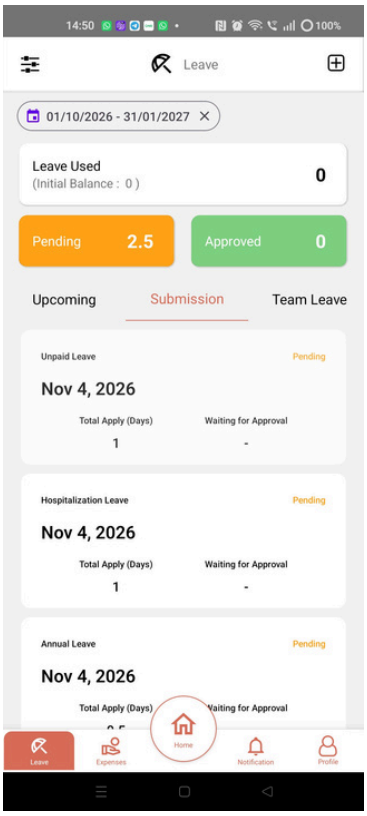

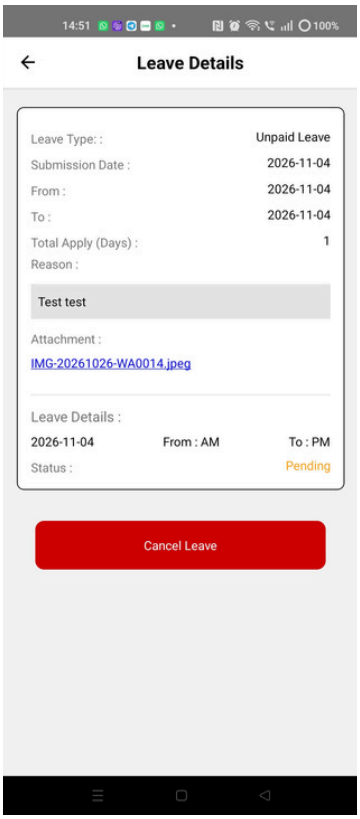

Part 17: Apply Mileage Expenses

1. **Fill Details:** Enter the **Date**, **Start Point**, and **End Point** of your journey.
2. **Vehicle:** Use the drop-down to select your **Vehicle Type.**
3. **Costs:** Enter any **Toll** or **Parking** amounts you paid.
4. **Describe:** Type the reason for the travel in the **Description** box.
5. **Upload:** Tap **Upload Attachment** to add photos of toll receipts or parking tickets.
6. **Submit:** Tap the black Submit button at the bottom.

Part 18: Leave Dashboard

1. **Overview:** See your **Leave Used** balance, **Pending** requests, and **Approved** requests.
2. **Tabs:** Swipe or tap between **Upcoming**, **Submission**, and **Team Leave** to view your leave history.
3. **Apply**: Tap the **"+" icon** at the top right to apply for new leave.

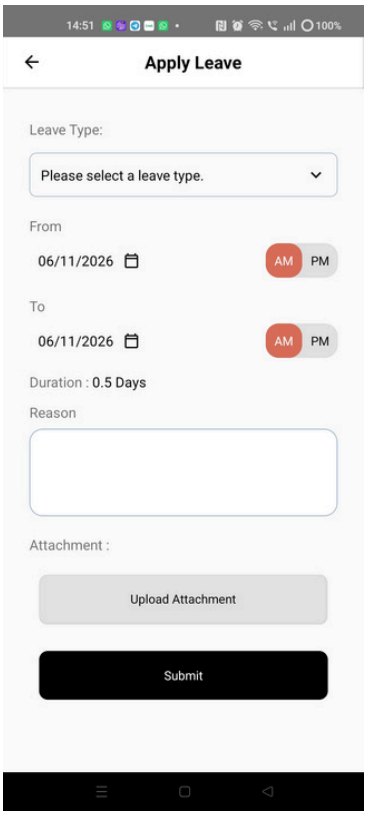

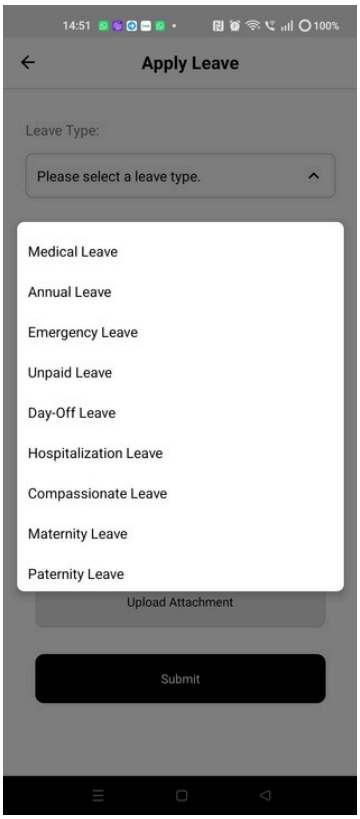

Part 19: Leave Details

1. **Review:** Check the details of your submitted leave, including dates, total days, reason, and any attached documents.
2. **Cancel:** If you need to withdraw a **"Pending"** leave request, scroll down and tap the red **"Cancel Leave"** button.

Part 20: Apply Leave Form

1. **Type:** Tap **"Please select a leave type"** to open the drop-down menu.
2. **Dates:** Select your **From** and **To** dates using the calendar icon.
3. **AM/PM:** Tap AM or PM to specify if you are taking a full day or half day.
4. **Reason:** Type the reason for your leave in the text box.
5. **Upload:** Tap **Upload Attachment** if you need to provide proof (like a Medical Certificate).
6. **Submit:** Tap the black Submit button at the bottom.

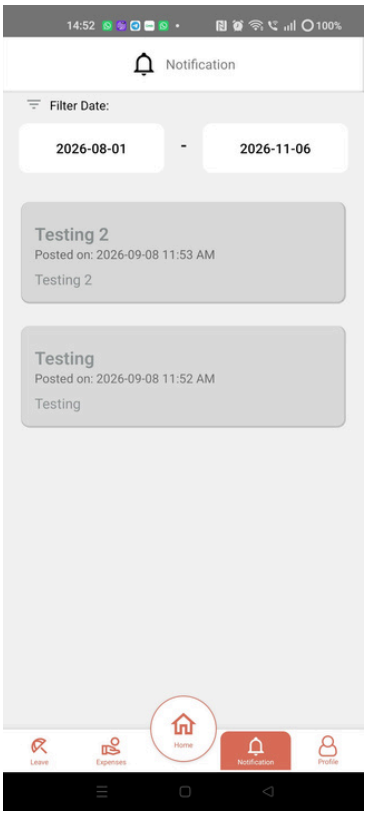

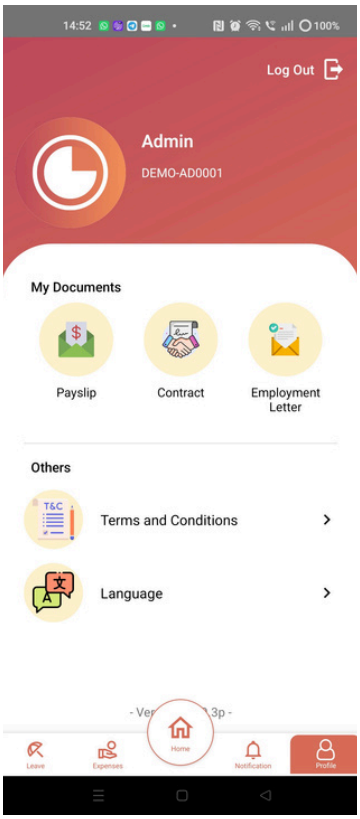

Part 21: Leave Type Dropdown Menu

1. **Select Category:** Tap the specific type of leave you want to apply for from the list.
2. **Options include:** Medical Leave, Annual Leave, Emergency Leave, Unpaid Leave, Day-Off Leave, Hospitalization Leave, Compassionate Leave, Maternity Leave, or Paternity Leave.

Part 22: Notification Screen

1. **Filter Dates:** At the top, you can tap the date boxes to change the time period for the notifications you want to see.
2. **Read Announcements:** Scroll through the list to read company news or updates. Each card shows a title, the date it was posted, and the message content.

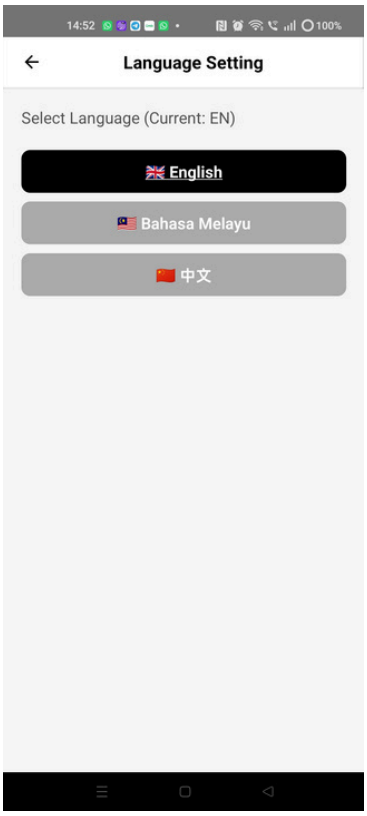

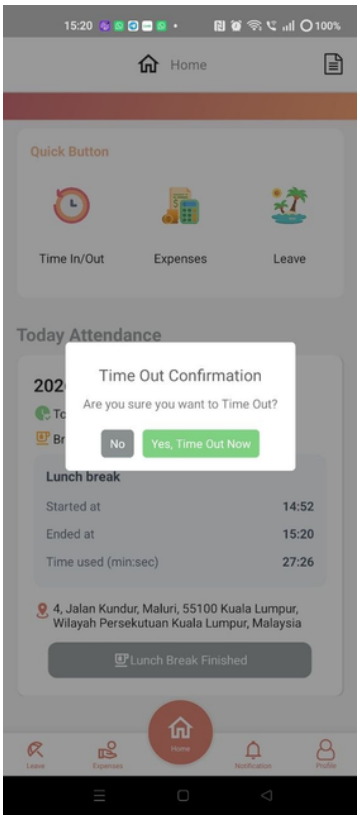

Part 23: Profile / Settings Screen

1. **Log Out:** If you need to leave the app, tap **"Log Out"** in the top right corner.
2. **My Documents:** Under this section, tap the icons to view your important files:
   - **Payslip:** To see your salary slips.
   - **Contract:** To view your employment contract.
   - **Employment Letter:** To view your official hiring letter.
3. **Others:**
   - Tap **Terms and Conditions** to read the app's rules.
   - Tap **Language** to open the language settings.

Part 24: Language Setting Screen

1. **Check Current Language:** The top text shows your current selection (e.g., "Current: EN").
2. **Select Language:** Tap the button for the language you want to use: **English**, **Bahasa Melayu**, or **中文 (Chinese)**. The selected language will be highlighted in black.

Part 25: Time Out Confirmation

You will see this when you tap the "Time In/Out" quick button at the end of your workday.

1. **Confirm:** A pop-up will appear asking, "Are you sure you want to Time Out?"
2. **Proceed:** Tap the green **"Yes, Time Out Now"** button to clock out and end your shift for the day. (Tap "No" if you are just checking the time).
