WorkVibes

EMPLOYEE MANAGEMENT SYSTEM

Your workday. In one place.

Track time, request leave and submit claims. Give HR teams a clearer view of workforce records.

MOBILE APP + WEB PORTAL

01 / MOBILE APP

Manage your day on the go

Employee self-service for attendance, leave, claims and documents.

01 Attendance & breaks
Clock in and out, track lunch breaks and add a manual entry if you miss a clock-in.

02 Leave requests
Apply for leave, attach supporting documents and check your request status.

03 Expense & mileage claims
Submit receipt-based or mileage claims with attachments and track their status.

04 Dashboard & notifications
See monthly attendance, expense and leave summaries and receive updates.

05 Documents & language
View payslips, contracts and employment letters. Choose English, Bahasa Melayu or Chinese.

02 / WEB PORTAL

Manage workforce records

HR and administrators get management tools. Employees can also access self-service online.

01 Dashboard & timesheets
Review attendance and workforce status. Filter timesheets and export to PDF or Excel.

02 Staff & company setup
Register employees and manage departments, teams, job designations and company details.

03 Leave & expense settings
Set leave types, expense approval levels and approvers, and car and motorcycle mileage rates.

04 Payslips & announcements
Manage payslip records and attachments, and send staff notifications.

05 Employee self-service
View your dashboard, manage attendance, submit leave and claims, and access notices, payslips and your profile.
